Large	54 - 61	MT1049L

Edge TLSO

RRP
£389.82

Now
£194.91

Features and Benefits

- A rigid spinal system designed to provide patients with maximum stability and support
- Edge restricts and controls unwanted motion while providing intracavitary pressure to unload the intervertebral discs
- Combines rigid anterior and posterior polymer shells with removable soft padding
- The back panel has built-in reinforcement and a spinal relief opening
- The soft padding keeps patients dry and comfortable by wicking away moisture
- Ideal for geriatric and other patients who tend to suffer from skin breakdown or sores, yet require maximum support
- The Edge spinal system provides superior stabilisation and support that patients need with ultimate comfort
- Flexibility of closing mechanism ensures an excellent fit across various body shapes
- Effective within T4 - S1

Indications for Use

- Burst Fx
- Chronic back pain
- Compression fracture
- Degenerative, herniated or bulging disc
- Kyphosis
- Laminectomy
- Paraplegia
- Spondylolysis
- Spondylolisthesis
- Spinal stenosis
- Spinal stabilisation
- Rheumatoid arthritis
- Osteoarthritis
- Post-op
- Osteoporosis
