

Assistive Technology
How to Buy

Steeper Assistive Technology

Empowering independent living in the home and beyond.

How to order

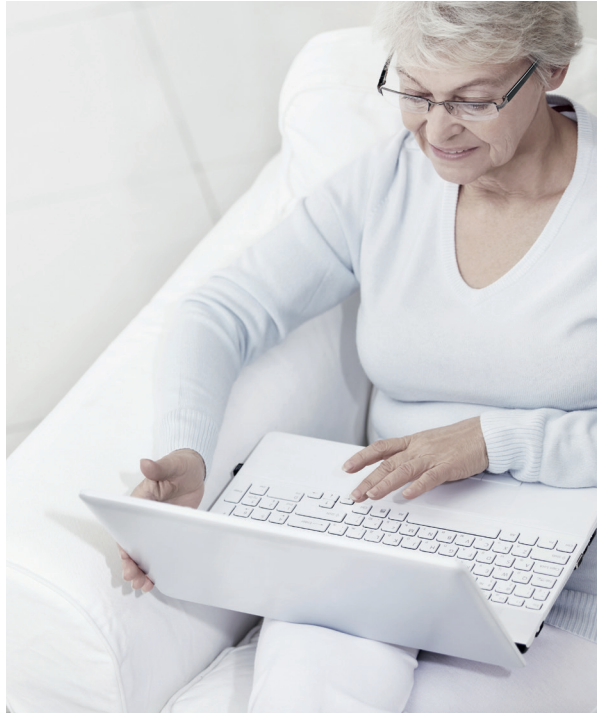

Steeper accept orders by the following methods:

- by telephone
+44 (0) 113 207 0449
- by email
assist@steepergroup.com

Assessment options

Steeper offer a free assessment to all customers. One of our qualified engineers will assess your needs and provide you with a bespoke quote that is tailored to your needs and requirements.

Steeper recommend an assessment before all orders to determine your specific requirements.

Installation options

All of our Assistive Technology products and devices are fitted by our qualified engineers, in the occurrence that you wish to fit the product yourself this can be arranged. However, we recommend that all products and devices are installed by Steeper to ensure that they are correctly programmed and in correct working order.

Returns procedure

All stock may be returned within a 30 day period, it must be in its original packaging and in a saleable condition. If in doubt please contact our Customer Services team for clarity on 0113 207 0449.

Single patient use

Any product supplied by Steeper is for single patient use only and should be fitted by a qualified engineer. Re-use of any product is potentially dangerous and will invalidate the CE mark or any warranty.
